

# EXTENDED LEARNING DAY

A CAMBRIDGE CONTINUING PROFESSIONAL DEVELOPMENT COURSE

The Cambridge Extended Learning Day Course, will take your professional skills to the next level by learning how to design and sell jobs.

## Learn Sketchup

Learn how to use sketchup from our resident 'Pro & Wizard of Walls', Nelson Walling! Yes, his last name says it all...we can't make this stuff up!

» Presented by Nelson Walling

## Online Designsapes

The first and fastest growing internet based landscape design service in the country! Over 300 contractors in 30 states. A service that will help you close the sale and set you apart from the competition.

» Presented by Kevin Smith

## Go Green! With Permeable Pavements

Get pumped up about Permeable Pavement, or at least learn how to estimate and install a Municipal and Residential job the right way while helping clients Go Green!

» Presented by Chris Murray

## Become a Cambridge Wall Hero

Find out more about our Wallstones and installation methods, so you can be a Cambridge Wall Hero, or just really knowledgeable about our systems!

» Presented by Glenn Tager
