YOUR LOCAL CAMBRIDGE
TERRITORY REPRESENTATIVE:**

- » Celebrate our collaboration with the incredible Frederick Brick Works team
- » Share industry insights and project success stories
- » Connect with, contractors, homeowners, and design pros from across the community

Founded in 1891, Frederick Brick Works began as a response to the booming demand for brick along the historic B&O Railroad. Since then, this Frederick-based institution has grown into a trusted leader in building materials—proudly serving the region with a diverse lineup of premium brands.
