GENERAL PRICING & ORDER INFORMATION

TWO-STOP DELIVERY SYSTEM [2026 SHIPPING UPDATE]

Effective immediately, Cambridge-delivered loads can now be structured as a two-stop delivery system. You can utilize two Cambridge facilities (not all three) to create your order for a full truckload delivery.

Rate Adjustment: A flat fee of \$ _____ will be added to the total shipping cost.

Base Freight: Calculated based on the furthest pickup location.

Applicability: Applies to all local, midnight, flatbed, and broker shipments. This will streamline our operations and maximize the supply of our pavers and walls so we can better service you. *If you arrange your pickups through common carrier, no reason why you cannot press for them to do the same!*

EXAMPLE OF ACTUAL COST	# of Cubes	Sq.Ft. / Cube	Sq.Ft. / Truckload	\$	Flat Fee / Sq.Ft.
Ledgestone 3-Pc. Design Kit	15	114	1,710		/ SQ. FT.

MANUFACTURING BY LOCATION - TRANSFERRING OF MATERIAL & TRUCKING

We continue to manufacture certain products in specific locations only (**Lyndhurst, South Amboy, or Lakewood**). For distributors where we arrange all trucking- we will provide you with three different trucking rates from each of our locations to your yard so you can price all products accordingly. For distributors that arrange their own trucking or pick up, you will be instructed what products will be available at each location. *We will not transfer products from one location to another* (this includes split loads to yards/job-sites).

SPECIAL ORDERS

PAVERS: Payment is required prior to manufacturing. Minimum order quantity will be required. All overage material must be purchased.

OUTDOOR LIVING KITS: See below for the policy regarding Special Order quotes.

» QUOTES:

- A Quote for Special Order product will be provided within 2 business days (4 days for Pergolas) of the receipt of all required detail to accurately identify the requested product.
- There is a \$150.00 charge for the processing of a Special Order quote. Product will be quoted upon receipt of a Purchase Order in the amount of \$150.00, which will be invoiced immediately.
- Should you purchase the Special Order product, *Cambridge will credit \$150.00 to the invoiced amount upon receipt of a written order and pre-payment for the quoted product.*
- Quotes are valid for 60 days.

» **TERMS:** Special Order products are provided based on customer specifications and are not returnable. Payment in full is required for the manufacturing process to proceed.

» **LEAD TIME:** Will be provided at the time of quoting.

DELIVERY TO JOB SITE:

Minimum of 12 Cubes (*Pavingstones*) / Minimum 14 Pallets (*Wallstones*)
Piggyback not to exceed 45,000 lbs.

DELIVERY TO DISTRIBUTOR'S YARD:

Minimum Trailer load Weight: 45,000 lbs. Truck reservations must be accompanied by a Cambridge Online Order confirmation. For delivery to a job site, recipient must meet truck.

SALES ORDER CHANGES

POLICY UPDATE: STAGED ORDER ADJUSTMENTS

Since transitioning to staged orders in 2019, Cambridge has achieved an industry-best average loading time of **25 minutes per load**. To maintain this efficiency while accommodating the increasing volume of post-staging modification requests, we are updating our adjustment policy.

Effective March 1, 2026, Cambridge will implement a tiered fee structure for changes made to orders once they have been staged.

HOW CHANGES ARE DEFINED

- » An "Order Change" is defined by the generation of a **Staged Order Change Request (SOCR)** number.
- » Any combination of adding or removing cubes within a single request **constitutes one change**.
- » The fee will be applied as a line item on the Sales Order (SO#) associated with the change.

MONTHLY TIERED FEE STRUCTURE

We will continue to provide a grace period for minor monthly adjustments, with fees applied only to frequent requests:

TOTAL CHANGES PER MONTH	FEE
1 – 3 CHANGES	NO CHARGE
4 – 7 CHANGES	\$50 PER CHANGE
8 – 11 CHANGES	\$100 PER CHANGE
12+ CHANGES	\$150 PER CHANGE

"CUSTOM ORDER ONLY" COYOTE PRODUCTS

NOTE: Coyote products designated as "Custom Order Only" are not in our inventory. To ensure that items are available on a timely basis, a single order will be placed weekly. Custom Orders must be received by 11:00 AM on Wednesday. The product ordered will be available the following Friday at Cambridge unless otherwise specified at the time of order placement.

PALLETS (Non-Returnable)..... \$ _____ Each

ALL RETURNS (Prior Approval Required)

- A. Restocking Charge..... **20%**
- B. Trucking Charge..... **Amount Based on Location**

ATTENTION: UPON NOTIFICATION THAT AN ORDER IS READY, CUSTOMER HAS 10 DAYS TO PICK-UP. DISTRIBUTOR'S CONTRACTORS ARE NOT PERMITTED TO PICK UP AT CAMBRIDGE. THIS IMPROVES YARD LOADING AND DELIVERY TIMES FOR ALL CAMBRIDGE CUSTOMERS. THANK YOU FOR UNDERSTANDING.

ALL COLORS ARE CATEGORIZED BY COLOR PRICING CATEGORIES

COLOR PRICING CATEGORIES	REASON FOR UP-CHARGE	COLORS
STANDARD COLORS	—	Birchwood, Brandywine, Ironwood, Natural, Onyx, Onyx/Natural, Ruby, Ruby/Onyx, Sahara, Sahara/Chestnut, Salmon Toffee/Onyx, Toffee/Onyx Lite
COLOR PLUS	PRICE INCREASED BECAUSE OF WHITE CEMENT	Coal, Limestone Quarry Blend, Mocha, Platinum, Riverbed Blend, Sahara/Chestnut Lite, Sandstone Blend, Sandstone Lite, Slate
PREMIER COLORS	PRICE INCREASED BECAUSE OF SPECIAL BLUE PIGMENTS AND/OR WHITE CEMENT	Bluestone Blend, Driftwood, Eggshell, Limestone Quarry Blue, Montauk Blue, Oceanside, Stone Harbor

All dimensions quoted in these specifications are nominal and are for guidance only. Actual sizes and weights will vary, particularly on the products designed to replicate natural stone which have features such as riven profiles and fettled edges. The sizes and quantities provided on these pages usually allow a nominal 5mm or more of sand joint width. Cambridge utilizes outside vendors/partners to provide you with the highest quality products. Please note, the appearance, availability and pricing of third-party and Cambridge products are subject to change at any time. Actual products may differ slightly from the pictures shown. Cambridge is not responsible for typographical (description and pricing) errors in our product line specifications. **NOTE:** 1 sq. ft. of 2 3/8 in. thick pavingstones equals approx. 27 lbs. Example: 100 sq. ft. / one cube = 2,700 lbs.

BIO-AQUIFER STORM SYSTEM

Crusader Permeable Pavements with ArmorTec® are specially designed for rapid removal of storm-water. Minimal openings make walking more comfortable while allowing for natural storm-water drainage and groundwater recharge. Retention ponds are eliminated. Maximum strength for driveways, parking lots and roads with key ecological benefits, curb appeal and convenient access for maintenance. Pavingstones are laid out in a variety of patterns with gravel between them. Below the pavers typically sits a 12 in. to 24 in. sub-base of stones (depth requirements vary), a 4 in. deep base of 1/4 in. to 1/2 in. clean gravel, and a 2 in. bedding sand of 1/8 in. to 1/2 in. grits (see diagram).

OMEGA® DOUBLE-SIDED MULTI-FACE DESIGN
Avail. in 7" & 3 1/2" heights

20 DIFFERENT NATURAL STONE TEXTURES!
5 basic wallstones. Letter on the wallstone, denotes different natural stone textures.

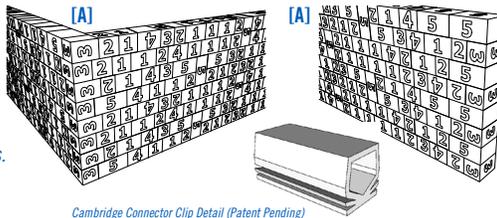

- Omega Natural Stone 7": for walls up to 3ft high or engineered walls of any height (with connectors & geogrid)
- Omega Natural Stone Column Kits can be utilized
- 1 cube of Omega Natural Stone 7" yields 20 double-sided face ft.

CAMBRIDGE CONNECTOR CLIPS ARE INCLUDED WITHIN THE PALLET
(45 connectors for Omega 7" Natural Stone Wall)

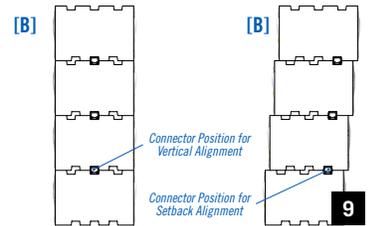

NOTE: [A] The #3 block has no marking. #3 block is the corner, textured on 3 sides and can be used as end of wall, or as a standard wallstone.

[B] Omega wallstones used as retaining wall should be built as a setback or near vertical unless you have consulted & designed an engineered plan for a full vertical position based on the criteria of your wall installation.

- The #2 block- 2A is a right angle stone, 2B-1 & 2B-2 are left angle stones.
- The #5 block is textured on 3 sides. #5 can be used as end of wall, vertical jumper, or as a standard wallstone.

MAILBOX CARE & MAINTENANCE: Many mailbox installations are in areas that expose the mailbox to road salt from snow/ice removal. This can be very damaging to the painted metal surface. Also, locations near the ocean expose the surface to highly corrosive salt air, as well as acid rain, and smog will also damage the painted surface. A periodic cleaning of the painted surface of your mailbox with a mild detergent, water and soft brush will help keep your mailbox looking like new. In addition, a clear spray (no buff) car wax can help protect the painted finish. This process is recommended 2-3 times a year if possible. This quick maintenance will help your mailbox last for many years to come. **Rust, corrosion, wear, and tear are not covered under warranty.**

CAST STONE COLUMN CAPS

Caps are available in two dimensions (24" x 24" and 26" x 26") in Bluestone or Chestnut. On an Olde English Wall Column, a 24" x 24" cap will provide a 2" reveal while a 3" reveal will be achieved with a 26" x 26" cap. On a Cambridge Pre-Packaged Column Kit, a 24" x 24" cap will provide a 1" reveal and a 26" x 26" cap will give a 2" reveal.

CAMBRIDGE REFLECTIVE FIRE GLASS

Ordered separately, these specially designed, oval-shaped, linear beads reflect light and sparkle on the outside when the flame is lit. Their unique shape allows the flames to move freely between each bead following the smooth contours to create a dancing liquid-like display. Choose from Blue, Diamond and Topaz reflective fire glass. Colors can be mixed to create unique designs. See product information on Page 27.

Olde English Fully-Assembled Fire Table Kits are available in 2 styles:

- Toffee/Onyx with Black Uba Tuba Granite
- Sahara/Chestnut with Venetian Gold Granite

PRE-PACKAGED OLDE ENGLISH PAVER OUTDOOR FIREPLACE KIT

Designed with small paver units, the Cambridge Pre-Packaged Olde English Paver Fireplace Kit captures the characteristics of a traditional brick fireplace. The complete kit includes a premium stainless steel fireplace, stainless steel curtain pull screens, fire grate, 4-foot air-cooled chimney, and black powder-coated termination cap with galvanized flashing. Also standard are refractory brick panels and five 6" x 6" polished granite tiles for the unit's face. Shipped as a wood-burning unit, it can be converted to gas. Only minimal cutting of approximately 23 Olde English Pavers is required. English/Spanish instructions included.

PRE-PACKAGED OLDE ENGLISH PAVER FIREPLACE KIT WITH CAST STONE SURROUND DELUXE

Complete with an arched design Cast Stone Fireplace Surround, full width hearth, mantel, chimney cap and 8 1/8" x 8 1/8" square medallion. The surrounds are made of Architectural Cast Stone, which has the look of natural stone, and is a highly refined precast concrete combining the finest raw materials, one of the most advanced manufacturing technologies and exquisite craftsmanship to create a product worthy of your project. Cast stone is available in 2 color choices: Bluestone and Chestnut.

COYOTE ASADO COOKER

Designed for outdoor cooking enthusiasts who appreciate the flavor of charcoal grilling, the Asado Cooker from Coyote can grill, smoke or sear with ease. This grill is constructed from high grade ceramics which offer excellent heat retention, allowing you to cook at consistent temperatures for hours on end. The Asado grill offers 254 square inches of cooking area on a stainless steel grate. A dual-vent airflow system allows for precise control of cooking temperatures that can range from a smoking low, to a steak-searing high, maintaining temperatures for hours and requiring less fire tending than traditional smokers. The Coyote Asado Cooker includes an integrated thermometer, easy lifting wood handle, as well as optional stainless steel cart with heavy-duty casters with two folding wood side shelves.

FEATURES

- 304 Stainless Steel Coyote Signature Smoking Grate™
- Heat-resistant ceramic construction
- 254 sq. in. of cooking area
- Adjustable venting to maintain precise cooking temperatures
- Smoke, sear, grill option

ACCESSORY KIT

- Pizza Stone & Elevator
- Heat Deflector
- Beer-Can Chicken Holder
- Cooking Grate Grippers
- Waterproof Cover

DIMENSIONS

- Overall: 22 1/4" Diameter x 34" Height
- Cutout: 22 1/2" Diameter x 17" Height

NOTE: Order cannot be canceled.

DUOMO PIZZA OVEN

Crafted to perfection, the DUOMO's one piece seamless design along with the three stage active heat management system, will transport you to the heart of traditional Italian pizzeria.

Engineered for efficiency and ease, the DUOMO offers precise temperature control, ensuring every pie emerges with a perfect balance of crispiness and tenderness. The durable construction and insulated body retain heat for consistent performance, allowing you to explore a diverse range of dishes beyond pizzas – from rustic bread to succulent roasted meats.

FEATURES

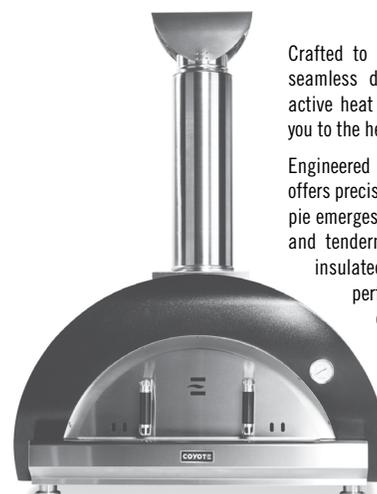

- One Piece Seamless Dome
- Active Heat Management System
 - » Double Insulation
 - » Interior Flame Channel
 - » ThermoShift Chimney System
- Front Smoke Escape Design
- Ceramic Cooking Bricks
- Temperatures up to 1,000 degrees
- 4 Piece Toolkit Included

DIMENSIONS

- 40" W x 33 9/16" D x 54 13/16" H

PEDESTAL SYSTEMS

Engineered as the foundation of any stable deck assembly, the Pedestal System provides durable, cost-effective support for elevated surfaces including pressed concrete pavers, wood, or metal grates. These adjustable, lightweight pedestals enable the creation of aesthetic plazas, rooftops, and sidewalks at a lower cost than traditional solutions. Constructed from reusable polypropylene, they offer proven durability, noise reduction, and excellent drainage. Integrated spacing tabs ensure consistent joint alignment, while the broad octagon base provides superior stability. Their telescoping design facilitates easy access to sub-surfaces for inspection and repairs, significantly lowering long-term maintenance costs. Call us for complete technical details.

LOAD BEARING	1250 pounds
COMPOSITION	Polypropylene (recycled)
COLOR	Black
BIO-CHEMICAL RESISTANCE	Unaffected by molds and algae and excellent resistance to alkali/bitumen

SPECIFICATIONS (±1/8")
